STATEMENT ADDRESSED TO PRESIDENTS OF FEDERATIONS

**Subject:**Statement about the West Slovak Derby One-Loft Race

Dear Mr. President,  
as the President of the Slovak Racing Pigeon Fanciers Federation(SRPFF), I would like to inform your members about the statement concerning the West Slovak Derby One-Loft Race:

- **The West Slovak Derby One Loft Race in Slovakia is a private facility and was not established in cooperation with the Slovak Racing Pigeon Fanciers Federation.**
- **The Slovak Racing Pigeon Fanciers Federation does not participate in the activities and management of the one loft race**
- **Pigeon fanciers who test pigeons in the West Slovak Derby must solve their problems directly with the one loft race without participation of The Slovak Racing Pigeon Fanciers Federation.**

**We send you this statement because we do not want your fanciers to connect the West Slovak Derby One Loft Race with the Slovak Racing Pigeon Fanciers Federation.**

We kindly ask your members to take this into account.  
Thank you for your understanding.

RNDr. Daniel Dudzik  
President the Slovak National Racing Pigeon Fancier's Federation
