1 - Enrollment is open to all pigeons, national and international, and all pigeons should wear an official ring from an approved Federation / Association of the Year 2018.

2 - To ensure the health of the pigeons, with quarantine, vaccination, and creating immunity we will receive pigeons in groups only on the following dates:
 • March-days: from day 1 to day 15
 • April-days: from day 1 to day 15
 • May-days: from day 1 to day 15.

3 - Each team will consist of three pigeons, pigeons n° 1 and n° 2, which will compete for prizes in all the races. Pigeon n° 3 is a reserve and will compete for prizes in all races up to, and including Race No. 4 - SILVER RACE. Pigeon n° 3 of each team will replace any lost birds up to and including the Silver Race. If pigeons n° 1 and n° 2 have not been lost, the reserve pigeon No. 3 can be activated by the entrant by the 20 September for an additional 300 Euro. Reserve pigeons can not be swapped from one team to another by the same owner.

4 - The inscription of each team is 600 euro (3 pigeons, of which 2 are activated). The pigeons entered in a team can not change from one team to another. For every 10 teams entered by a participant, the organization is offering one free team (3 pigeons). Replacements for lost, sick or injured birds can be done at no extra entry costs, until the 31st of May 2018. For shipping cost, contact the agent in your country.

5 - All amounts in dispute are based on 5,000 pigeons (paid). Alternatively amounts will be determined on a pro rata basis according to the percentage of birds received. The final amounts payable will be posted by July 30, 2018.

6 - Places will be provided on a first come, first served basis whereby places will be guaranteed to teams that have been registered / reserved first. To reserve your place for 2018, simply email: golden.race.algarve@gmail.com or directly on the website www.goldenracealgarve.com and by paying a deposit of 100 euro for each team within 15 days from your requested reservation. All participants 2017 have assured place in the loft to 2018, and should make registration until December 31, 2017.

7 - The pigeons will be accommodated in a purpose built loft that will ensure equal conditions for each pigeon. Pigeons will be flown to perches only and sexes will not be separated.

8 - According to our special regulation, part of the proceeds will go to support the needy children of the municipality of Vila Real de Santo António, including purchase of textbooks, computers and other needed goods.

9 - The first pigeon back from each Country (with at least 20 entered teams) will win its owner 1 free entry for the following year.
