Romanian Grand Prix FCI 2013 - Finala

"ROMANIAN GRAND PRIX FCI" LOFT

Dear fanciers, you are invited to participate at the 6th edition of "Romanian Grand Prix FCI" that will take place in 2018.

The "**Romanian Grand Prix FCI**" loft was created in 2011, after obtaining the FCPR approval and the FCI licence by the "Andrei Saguna, Arad" loft, which has always offered optimal conditions in order to develop such a championship.

The seriosity of the organizers, the quality of maintenance, the trainings and the substantial prizes will make our loft a place where fanciers from all over the world can compete through the teams sent every year.

For 2017, our loft has room for 1.200 pigeons.

The pigeons engaged in this competition will dispute their supremacy over 5 races:

1. Kiskunfelegyhaza - 125 km
2. Dabas - 188 km
3. Bicske - 250 km
4. Pannonhalma - 315 km
5. Sopron - 405 km **DERBY – FINAL 15.09.2018**

For every race we will record the hasketing and the

For every race we will record the background and the release and we will post them on this site and on our Facebook page.

The prizes at stake this year are substantial, around 37.400 € and this is why you should follow the competition.

These prizes were calculated for 1.000 paid pigeons. At the end of 2018 championship, the first 50 pigeons arrived at the final race and top 10 pigeons at the ACE category will be sold at the auction.

REGULATION: THE VIITH EDITION OF ROMANIAN GRAND PRIX FCI LOFT

The organizers wish good luck to all participants at the **2018 edition**. Also, it launches the invitation to all fanciers in the country and abroad to follow week by week the evolution of the championship and even for them to become competitors in the following editions.

The registration fee for a pigeon in the loft is **75 euro /pigeon**; any pigeon-breeder from the country and from abroad can be registered with **minimum 2 pigeons**, the maximum being unlimited.

All the participants who register minimum 4 pigeons will be allowed to bring 1 pigeon FOR FREE (**4+1**). The fee for transportation is 10 euro/pigeon and/or 25 euro/team (5 pigeons).

The first 50 pigeons arrived from the final race and the first 10 at AS category will be sold at an auction organised by a specialized website or by our official website. After paying the fee for organising the auction, the rest of the money resulted will be split equally between the owner of the pigeon and the organiser of the loft. All the other pigeons can be bought by their owners for 200 RON (aprox 45 euro) in 10 day time after the final race, afterwards the pigeons will remain in the property of the loft.

Ranking and results will be established respecting the **GRAND PRIX FCI** system : the first 25% range. Calculation formula is the following:

Place in the ranking X 1000 / No of pigeons embarked X distance

Example: $8 \times 1000 / 500 \times 350 \text{ km} = 0.045$

1) Teams can be registered with up to 10 pigeons as unique pigeon-breeder or

in tandem. A pigeon-breeder or tandem can participate with an unlimited number of teams (10 pigeons), these being identified with A, B, C.

2) FCI will designate a delegate for controlling the pigeons at the contest. The delegate will supervise the basketing of the pigeons, will check the seals, will receive the situation of the weather conditions in order to take a decision regarding the launching and will check the first pigeons arrived.

3) The organizers will allow the FCI delegate to control any aspect before and during the contest.

4) In order to designate the World Champion, FCI will take into consideration 4 of the best results from 4 different contests in two consecutive years 2017-2018.

5) Every pigeon-breeder or team will be able to participate to all lofts under the FCI auspices and will be able, in the future, to be designated as World Champion.

Without exception, the pigeons must be accompanied by: **pedigree, property talon & rings of 2018.**

The registration is opened in the interval **15th of March – 31st of May, 2018.**

In cases of force majeure (ex. epidemics, avian influenza, bad weather), the organizers reserve their right to modify the programs of training and contests, inclusively the date and distance to which the final race will take place. All these decisions will be taken in cooperation with the FCI representatives.

The organizers take responsibility for insuring the best conditions of feeding, treatment, trainings and safety for all the pigeons.

The awarding ceremony will take place on **15th of September, 2018**, the day when Sopron final race will also take place.
